

ARE YOU HISPANIC, 60 YEARS OLD OR OLDER?

Weill Cornell Medicine is looking for Hispanic adults aged 60 and older for an in-person research study. The purpose of this study is to learn more about financial decision-making among older adults.

Participation will require a 2-3 hour in-person visit once a year for 3 years, to our campus offices.

You will be paid up to \$150 for your participation. Travel expenses will also be reimbursed.

If you are interested, call us for a brief, confidential phone interview to see if you are eligible.
